# OVERVIEW OF

# NOLAN'S STUDENT LOUNGE

Since August of 2009, the University has made it a priority to turn Nolan's on 33<sup>rd</sup> into a fun, inviting space on campus. Improvements have been made to the physical space, technology and A/V have been upgraded, funding has been allocated, menus have been altered, and staff support has been dedicated to this goal. Nolan's has gained great traction with the student body over the past few years and we hope to continue to make Nolan's *the* place to hang out at Hopkins.

Although Nolan's on 33<sup>rd</sup> is a dining hall located in Charles Commons, a dormitory primarily for sophomore students, students of all classes (freshman, sophomore, junior, senior) are encouraged to participate in programming opportunities. To assist in this effort, new for this year, we have renamed the Nolan's student activities program to be "Nolan's Student Lounge." Our hope is that Nolan's will serve as *your campus living room*, a place for students to hang out complete with fun activities and events for all to enjoy.

In order to accomplish this mission, a team of nine Nolan's Student Managers were hired for 2011-2012 academic year. The Nolan's Student Managers are meant to be a hybrid of a student monitor and a student activities event planner. They are in charge of keeping Nolan's in order, while offering a fun and relaxing space for the student body.

Student life in Nolan's Student Lounge reached new levels in Fall 2011. As a result of increased marketing and a significantly improved quality and quantity of events, we have been able to reach out to more students and members of the Hopkins community than ever before.

One of the biggest differences in our approach this semester has been refocusing the Nolan's Student Manager Team mission to be more event-planning based. Functioning more like a student activities board, our Student Managers were challenged to take a more active role in the planning and execution of our daily events. Before the start of the school year, the Nolan's Student Managers went through an extensive training where the group learned the necessary skills and established clear goals. Bi-weekly staff meetings have helped us to follow up these goals and ensure that all events were well organized, diverse, and well promoted to the entire student body. Interspersed throughout the semester were staff socials that helped our team interact and bond on a more personal level.

Consequently, our staff has increasingly become a more cohesive group and has shown a preference towards working together to develop quality events for the Hopkins students.

On a broader level, Nolan's Student Lounge has gained great popularity with the student body and has developed into one of the more popular hangout places on campus. More than just a dining hall, students have taken advantage of the venue during the afternoon hours as the perfect space to relax and converse between classes. We have even advertised the space as an ideal location for faculty and teaching assistants to hold their midday office hours. Comfortable seating, fun video and board games, satellite radio, free wifi, and the addition of a brand new foosball table to compliment our already popular billiards tables has aided in this effort. This is still an ongoing challenge that we hope to continue to prioritize, but we are certainly headed in the right direction. When dining in the evening hours, students have come to expect superior programming on a daily basis, something that has added to the student experience at Nolan's Student Lounge.

Much of the success of our program can be attributed to an excellent working relationship with JHU Dining Services and Aramark representatives. An improvement in food quality, increased variety, and a willingness to listen to student suggestions has undoubtedly resulted in more students dining in Nolan's on 33<sup>rd</sup>, regardless of whether or not they are on a University meal plan. In turn, more students choose to spend their social time at Nolan's and partake in our events.

This year we have been able to brand the program and were able to solidify our image with the development of a Nolan's Student Lounge logo. This logo has enhanced our visual recognition with the student body.

As programming in Nolan's Student Lounge continues to progress and gain momentum, students have genuinely become more excited and enthusiastic about the programming opportunities that we offer. Nearly six-hundred students have signed up on our Facebook group website so that they can easily follow the latest news on upcoming activities. In the expanding world of technology that we live in, we have even launched a Twitter account that has gained popularity amongst certain students. One of our biggest improvements to help assist in the visibility of our program has been the launch of the "Nolan's News," a comprehensive weekly newsletter that details the upcoming activities and events planned in "your campus living room." Sample newsletters can be found toward the end of this report.

*The JHU Gazette and The Johns Hopkins Newsletter* have written editorials promoting and recapping many of our feature events, allowing us to further expand and make students more aware of our daily programming opportunities.

The following section highlights many of our most popular events, including a generic rubric that we have followed to ensure that every week consists of a wide variety of events to meet our student's needs.

# EVENT HIGHLIGHTS

New for the Fall 2011 Semester, the Nolan's Student Manager Team strived to hold student programming every day of the week. Based on the success of the program this past semester, Hopkins students have come to expect *something* happening at Nolan's on a day to day basis. Our events have helped to enhance the student experience outside of the classroom and have provided many opportunities for students to relax and take a break from the academic pressures that they face daily.

The following two pages outline a generic rubric of programming at Nolan's Student Lounge. While you will notice on subsequent pages that on certain occasions we deviated from this rubric, its main purpose was to ensure that our events are varied and are equally attractive to students of all class standing and background.

**Mondays: Make Your Own Mondays**

*Mondays are typically associated with the end of the weekend and getting back to the daily grind of Hopkins' classes. With the "Make Your Own Mondays" series, our hope is to help ease this transition by bringing out your creative side early in the week! Learn how to create your favorite crafts, make your own ice cream sundae, or format your resume with the help of a Career Center counselor – these are just some of the events that we have planned for you!*

**Mondays: Monday Night Football and Pub Night**

*Meet up with friends, cheer your favorite football team on the big screen, and grab a low-cost beer right on campus (21+ to drink; open to all ages). Other late night menu options typically include wings, nachos, soft pretzels, and much more!*

**Tuesdays: Class Night!**

*Each class (freshman, sophomore, junior, senior) will have one Tuesday each month on a rotational basis to have an event and build class unity. Host a class movie night, bring a magician to campus, have a luau in the middle of the winter, host a karaoke competition...the options are endless!*

**Wednesdays: Nolan's Live!**

*Cheer on your classmates, friends, or even your favorite comedian or band as they take over the Nolan's stage as part of our "Nolan's Live" series! This semester at Nolan's Student Union, live entertainment will perform every Wednesday evening! A relaxing, laid-back atmosphere that is great for taking a study break and grabbing a late-night snack!*

### **Thursdays: Game Night!**

*Bring your competitive side out to Nolan's every Thursday for Game Night! Compete with and against your fellow classmates in game shows, pool, board games, video games, and trivia contests. Prizes will be available for the winning students!*

### **Fridays and Saturdays: Nolan's at Nite!**

*Every Friday and Saturday after 9 PM, food service ends early to allow Nolan's to become a reservable space for student group events. The Office of Student Life has programming grants available in denominations of up to \$250 to help support these events! Last year, Nolan's on 33<sup>rd</sup> was the site for many successful events and collaborations with student organizations, including Hopkins Hold 'Em poker tournament with RAB, State of the Union address with the College Democrats, and Greek Life's Karaoke Cup competition!*

Student groups and campus departments were encouraged to co-sponsor these events. By co-hosting many events with nearly fifty different student groups, organizations, and campus departments, we have been able to reach out to many students who may have been unaware of our revamped programming. In many of these co-sponsorships, we have been approached by the partner organization requesting for collaboration. This further demonstrates how Nolan's Student Lounge programming is identifiable across campus. The following is a list of those student groups, organizations, and campus departments that have helped to host Nolan's Student Lounge events.

In the latter half of the event, students were encouraged to bring their existing resume for critiques and revisions from the peer reviewers. attracted almost 300 students! Nolan’s Student Lounge was transformed into a concert hall,

complete with fancy lighting, audio/visual equipment, and additional seating to accommodate such a big crowd. The quartet sang dozens of songs that continuously brought the Nolan’s crowd to cheer on their feet,

including the popular ‘Scrubs’ theme song “Superman,” “Underdog,” “Facts of Life,” “Somewhere Over The Rainbow,” and an encore performance featuring the hit song “Hey Ya!” Unique to the performance was the funny skits, antics, choreography, talking toys, and costume changes – all a great complement to the group’s harmonious voices. Having followed “The Blanks” on all eight seasons of the hit television show ‘Scrubs,’ students came eager to watch and meet this

famous foursome. After the 90-minute show, the group was kind enough to spend nearly two hours doing a meet and greet where they signed autographs and took countless pictures with every student in attendance.

A look at the upcoming activities and events scheduled in "your campus living room" for the week ahead

August 26, 2011

Volume 1, Issue 1

## Welcome Back to JHU!

Welcome back for the 2011-2012 school year! We hope that you all had a relaxing summer and are refreshed and energized to begin the new school year!

Over the summer, we have made several improvements to help make your experiences at Nolan's more enjoyable. First and foremost, we have renamed the Nolan's student activities program to "Nolan's Student Lounge." Our hope is that Nolan's will serve as your campus living room, a place for students to hang out complete with fun activities and events for all to enjoy.

Nolan's Student Lounge will feature regular programming every day of the

week (see page 2). We encourage student groups and campus departments to co-sponsor these events - if interested, please contact Craig Rosenblum at crosen13@jhu.edu. The Office of Student Life has programming grants in denominations of up to \$200 to help ensure that the event is a success!

More comfortable seating, fun video and board games, and the additions of a brand new foosball table are some of the other exciting changes. Combined with our big screen televisions, satellite radio set up, and great dinner options, we hope to continue to make Nolan's the place to hang out at Hopkins!

**Monday's Make Your Own Mondays**  
 Mondays are typically associated with the end of the weekend and getting back to the daily grind of Hopkins' classes. With the "Make Your Own Mondays" series, our hope is to help ease this transition by bringing out your creative side early in the week! Show your football spirit by making buttons to kickoff the new season (Sept. 5), decorate your dorm room and make your own dry, extra hard (Sept. 19), or join the Career Center and learn how to make and revise your own resume (Sept. 26)! These are just some of the events that we have planned for you.

**Tuesday's: Class Night**  
 Each class (freshman, sophomore, junior, senior) will have one Tuesday each month on a rotational basis to have an event and build class unity. Host a class movie night, bring a negotiation to campus, have a lawn in the middle of the winter, host a karaoke competition...the options are endless!

**Wednesday's: Nolan's Live!**  
 Check on your classmates, friends, or even your favorite comedian or band as they take over the Nolan's stage as part of our "Nolan's Live" series! This semester at Nolan's Student Union, live entertainment will perform every Wednesday evening! A refreshing, laid-back atmosphere that is great for taking a study break and grabbing a late-night snack!

**Thursday's: Game Night**  
 Bring your competitive side out to Nolan's every Thursday for Game Night! Compete with and against your fellow classmates in game shows, pool, board games, video games, and trivia contests. Prizes will be available for the winning students!

**Friday's and Saturday's: Nolan's at Nite**  
 Every Friday and Saturday after 9 PM, food service ends early to allow Nolan's to become a reservable space for student group events. The Office of Student Life has programming grants available in denominations of up to \$200 to help support these events! Last year, Nolan's on 33rd was the site for many successful events and collaborations with student organizations, including Hopkins' Hold 'Em poker tournament with RA's, State of the Union address with the College Democrats, and Greek Life's Karaoke Cup competition!

**NOLAN'S IS LOOKING FOR MUSICAL TALENT!**

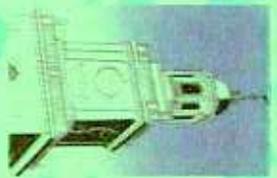

**Wanted!**

- In a student band?
- Play a musical instrument?
- Want to perform on stage?

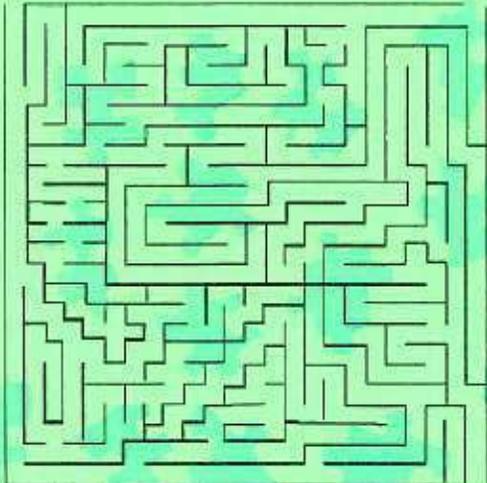

Nolan's Student Live is looking for students to perform on Wednesday nights as part of our "Nolan's Live" performances! Compensation provided!

## Busy Week of Events Leading Into Fall Fest Weekend

We have lots of fun events going on for the week ahead at Nolan's Student Lounge! With classwork undoubtedly piling up and midterm exams nearing, be sure to take a break to make time for some fun at your campus living room!

Our activities begin on Monday, September 19th at 6 PM. As part of our "Make Your Own Mondays" series of programming, we invite you to come out to make and decorate your own dry erase board! We'll have foam shapes, letters, animals, and other supplies for you to decorate your board. The perfect accessory for any dormitory room!

We also have a special Nolan's Live student performance on Monday at 9 PM. Featuring Duncan Crystal, Joel Nygren, and Joey Harrel, "Toy Band" is comprised of three student musicians who have a combined over 30 years of musical experience, can play a total of 14 different instruments, and have chewed enough bubblegum to stretch around the world 4 times!

For Meatless Monday, we will have a special cooking demo. Students can watch Ms. Lih Lih make authentic Pad Thai and can sample her food.

Are you a Glee? You know, a fan of the popular TV show Glee? Think you know everything there is to know about Glee? If so, you surely won't want to miss Tuesday's Glee Trivia & Season Premieres event! Trivia starts at 7 PM, show starts at 8 PM!

On Wednesday, September 21st beginning at 6 PM, the Oriole Bird Mascot will be making an appearance at Nolan's Student Lounge. Come out to watch the Orioles battle the rival Boston Red Sox on the big screen in a game live from famous Fenway Park. We'll have free Orioles T-Shirts for all attendees, and there will be a modified baseball themed menu for the evening.

And finally, at 9 PM on Saturday, September 24th, the Jewish Student Association will be hosting a New Year's Eve Dance Party. DJ Alec Fisher will be playing the tunes for your dancing enjoyment.

Throughout the night, we'll be raffling off bobblehead dolls, caps, and other goodies!

Fall Fest weekend kicks off on Thursday, September 22nd! The entire schedule can be found on the post cards located in Nolan's Student Lounge.

The National Society of Black Engineers will be hosting Game Night on Friday, September 23rd at 9 PM. Try your luck in pool, foosball, board games, video games, and other fun games.

At 6 PM on Saturday, September 24th, we'll put you to the test to see how much our students know about our University. What is the tallest building on campus, who was the first Hopkins president, and who is Abel Wolman anyway? Teams of up to five students will compete, and the winning players will receive special Hopkins prizes.

And finally, at 9 PM on Saturday, September 24th, the Jewish Student Association will be hosting a New Year's Eve Dance Party. DJ Alec Fisher will be playing the tunes for your dancing enjoyment.

SKETCH COMEDY

AKA THE 2ND TERM:  
[Scrubs]

In a word - incredible. Every aspect of this show was utterly fantastic. Great performance - very theatrical and filled with comedy. And also it's definitely a SHOW not a concert. Well written, funny and of course sung and performed unbelievably well.

With the Baseball World Series upon us, this section of the *Nolan's News* will be devoted towards Baseball Playoff Trivia! Try your luck at these questions, and come out to Nolan's Student Lounge on Wednesday October 19th for a special event featuring Game 1 of the World Series!

1. What player holds the record for most ever World Series home runs? (Hint: Retired #7 for the Yankees).
2. This player is the only player to be the last hitter of two World Series, both for the winning and loosing teams. Last year, while a member of the San Francisco Giants, he was awarded World Series MVP for his outstanding play. Name him.
3. Name the only teams to have never won a World Series in franchise history.
4. Who is the only pitcher to win a World Series in three different decades? (Hint: This Hall of Fame starter is now an announcer for the team he used to pitch for, the Baltimore Orioles).
5. Also a current announcer for the Baltimore Orioles, who was the last Orioles player to win WS MVP?
6. In 1955, Johnny Podres became the first pitcher (and first player) to be named World Series MVP. Who was the last pitcher to be named MVP of the World Series?
7. Three players have won the World Series MVP twice. (a) Who is the only player to win the WS MVP twice, each time with a *different* team? (Hint: He is also the only player to hit home runs in four consecutive World Series games). (b) Since the inception of the WS MVP award in 1955, only two players have won the award twice while on the same team. Both are pitchers. One of them is a three-time Cy Young Award winner, who set a record of four no-hitters in a span on four years. The other is a two-time Cy Young Award winner who set a NL mark with a microscopic 1.12 ERA in 1968. Name these two Hall of Fame pitchers.
8. Who are the only trio of brothers to have each earned championship World Series rings? (Hint: One of the three will be playing again in this year's World Series).

**Mondays: Make Your Own Mondays**

Mondays are typically associated with the end of the weekend and getting back to the daily grind of Hopkins' classes. With the "Make Your Own Mondays" series, our hope is to help ease this transition by bringing out your creative side early in the week! Show your football spirit by making buttons to kickoff the new season (Sept. 5), decorate your dorm room and make your own dry erase board (Sept. 19), or join the Career Center and learn how to make and revise your own resume (Sept. 26)! These are just some of the events that we have planned for you.

**Mondays: Monday Night Football and Pub Night**

Meet up with friends, cheer your favorite football team on the big screen, and grab a low-cost beer right on campus (21+ to drink, open to all ages). Other late night menu options typically include wings, nachos, soft pretzels, and much more! The first Monday Night Football event will be on Sept. 12, so mark your calendars!

**Tuesdays: Class Night!**

Each class (freshmen, sophomore, junior, senior) will have one Tuesday each month on a rotational basis to have an event and build class unity. Host a class movie night, bring a magician to campus, have a luau in the middle of the winter, host a karaoke competition...the options are endless!

**Wednesdays: Nolan's Live!**

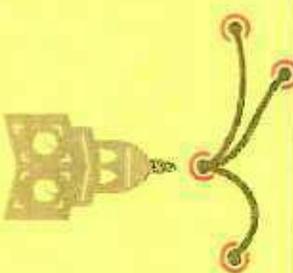

Cheer on your classmates, friends, or even your favorite comedian or band as they take over the Nolan's stage as part of our "Nolan's Live" series! This semester at Nolan's Student Union, live entertainment will perform every Wednesday evening! A relaxing, laid-back atmosphere that is great for taking a study break and grabbing a late-night snack!

**Thursdays: Game Night**

Bring your competitive side out to Nolan's every Thursday for Game Night! Compete with and against your fellow classmates in game shows, pool, board games, video games, and trivia contests. Prizes will be available for the winning students!

**Fridays and Saturdays: Nolan's at Nite**

Every Friday and Saturday after 9 PM, food service ends early to allow Nolan's to become a reservable space for student group events. The Office of Student Life has programming grants available in denominations of up to \$200 to help support these events! Last year, Nolan's on 33<sup>rd</sup> was the site for many successful events and collaborations with student organizations, including Hopkins' Hold 'Em poker tournament with 848, Store of the Union address with the College Democrats, and Greek Life's Karaoke Cup competition!

A look at the upcoming activities and events scheduled in 'your campus living room' for the week ahead

November 3, 2011

Volume 1, Issue 7

## A RECAP OF LAST WEEK'S EVENTS IN "YOUR CAMPUS LIVING ROOM"

Highlighted with a performance by "The Blanks" (aka Ted's Band from the sitcom Scrubs), last week was one of the more eventful weeks of programming that Nolan's Student Lounge has ever seen. We celebrated the fifth year of Charles Commons with a Birthday celebration, hosted a variety of fun Halloween activities including Tattoo Making, Pumpkin Carving, Scary Saturday, and Halloween Happy Hour, and had a real popular Billiards Tournament on the same night of Game 7 of the Baseball World Series. VIVAZ Performing Arts put together one of our most successful karaoke events of the semester, complete not only with singing but also plenty of dancing. Sigma Gamma Rho hosted their annual Soul Spook event with spoken word, comedy, and song performances, and the Black History Month committee gave us a teaser of some of the neat events that they have planned for next February. What a week!

In one of our more highly anticipated events, "The Blanks" blew everyone away with an a cappella and sketch comedy performance that attracted over 250 students! The quartet sang dozens of songs that continuously brought the Nolan's crowd to cheer on their feet, including the popular Scrubs theme song "Superman," "Underdog," "Facts of Life," "Somewhere Over The Rainbow," and an encore performance featuring the hit song "Jey Ya!" After the 90-minute show, the group was kind enough to spend nearly two hours during a meet where they signed autographs and took countless pictures with every student in attendance.

Speaking of pictures, please visit us on Facebook to relive this eventful week by taking a look at all of the photographs that we have uploaded. And feel free to add your photos as well just visit us at...

Next your student group's event at Nolan's Student Lounge! Host an open mic night on Wednesdays at Nolan's Live, co-sponsor a Pub Night during Monday Night Football at Nolan's, throw a fundraiser bingo contest on Friday night, have a dance party on Saturday night...the options are endless! And the best part...your student group can receive up to \$200 just by having your event in Nolan's! Contact Craig Rosenblum at crosen13@jhu.edu for details.

HEALTHY WAYS OF DEALING WITH STRESS!

Being stressed is perfectly normal! According to the National Health Interview Survey, 75% of the general population experiences at least "some stress" every two weeks! Half of those experience moderate or high levels of stress during the same two-week period. If this survey was given to Hopkins students, you can only imagine how much higher the percentage would be!

*Determining If You Are Stressed*

The following table lists some of the common warning signs and symptoms of stress. The more signs and symptoms you notice in yourself, the closer you may be to stress overload.

Stress Warning Signs and Symptoms	
<b>Cognitive Symptoms</b> <ul style="list-style-type: none"> <li>Memory problems</li> <li>Inability to concentrate</li> <li>Poor judgment</li> <li>Seeing only the negative</li> <li>Anxiety or racing thoughts</li> <li>Constant worrying</li> </ul>	<b>Emotional Symptoms</b> <ul style="list-style-type: none"> <li>Moodiness</li> <li>Irritability or short temper</li> <li>Agitation, inability to relax</li> <li>Feeling overwhelmed</li> <li>Sense of loneliness and isolation</li> <li>Depression or general unhappiness</li> </ul>
<b>Physical Symptoms</b> <ul style="list-style-type: none"> <li>Aches and pains</li> <li>Dizziness or lightheadedness</li> <li>Nausea or dizziness</li> <li>Chest pain or tightness</li> <li>Headaches</li> <li>Loss of appetite</li> <li>Frequent colds</li> </ul>	<b>Behavioral Symptoms</b> <ul style="list-style-type: none"> <li>Eating more or less</li> <li>Sleeping too much or too little</li> <li>Feeling yourself from others</li> <li>Procrastinating or neglecting responsibilities</li> <li>Using alcohol, cigarettes, or drugs to relax</li> <li>Nervous habits (i.e. nail biting, pacing)</li> </ul>

*Additional Resources*

- If you're experiencing any of the warning signs of stress, it's important to see a professional (or even your TA to point you in the right direction) and get assistance.
- The Counseling Center, now located near Billy Wheeler on Charles and 3rd St, offers full-time individual and group sessions. All services are confidential and free of charge. For more information, visit their website at [jhu.edu/ccc](http://jhu.edu/ccc) or call them at 433-623-2450.
- A Place To Talk (APT) is a student-to-student peer listening for the Hopkins community. They provide a confidential service which allows anyone to discuss anything from everyday frustrations to serious concerns. For more information, visit their website at [jhu.edu/aptt/](http://jhu.edu/aptt/) or call them at 433-623-2450.
- Now located in Homewood Apartments, the Student Health and Wellness Center provides high quality, confidential health care to students of the Homewood campus community. For more information, visit their website at [jhu.edu/StudentHealth](http://jhu.edu/StudentHealth) or call them at 433-6270.

*Stress Management Strategies*

The following are tips on how to maintain a healthier lifestyle and to prepare you to cope with stress.

1. Structure each day to include a minimum of 20 minutes of aerobic exercise.
2. Eat well balanced meals, more whole grains, nuts, fruits and vegetables. Substitute fruits for desserts. Look for the "Healthy Options Program" logo on all products in the dining hall!
3. Avoid caffeine. The substance may aggravate anxiety, insomnia, nervousness and trembling.
4. Reduce refined sugars. Excess sugars cause frequent fluctuation to blood glucose levels, adding stress to the body's physiological functioning.
5. Reduce alcohol and drugs. These substances may add to the sadness and add to depression.

A look at the upcoming activities and events scheduled in 'your campus living room' for the week ahead

November 10, 2011 Volume 1, Issue 8

☆☆☆ JHU'S GOT TALENT - AND PASSION ☆☆☆  
 INAUGURAL IGNITE@JHU HELD AT NOLAN'S STUDENT LOUNGE NOV. 10. THIS ARTICLE IS AS WRITTEN BY GREG RIENZI IN THIS WEEK'S JHU GAZETTE

Got a great idea to share, or a skill to show off? Johns Hopkins this week launches a new multimedia, community-building experience that is part open-mic night and part grown-up show and tell.

Ignite@JHU is a series of five-minute talks where presenters—students, staff and faculty—will share their personal and professional passions using 20 slides that auto-advance every 15 seconds. The inaugural event will take place from 7 to 10 p.m. on Thursday, Nov. 10, in Nolan's Student Lounge at Charles Commons, Homewood campus.

The event is based on the successful Ignite Baltimore series held at the Walters Art Museum. Ignite@JHU will be hosted by the Digital Media Center and Charles Commons Connections.

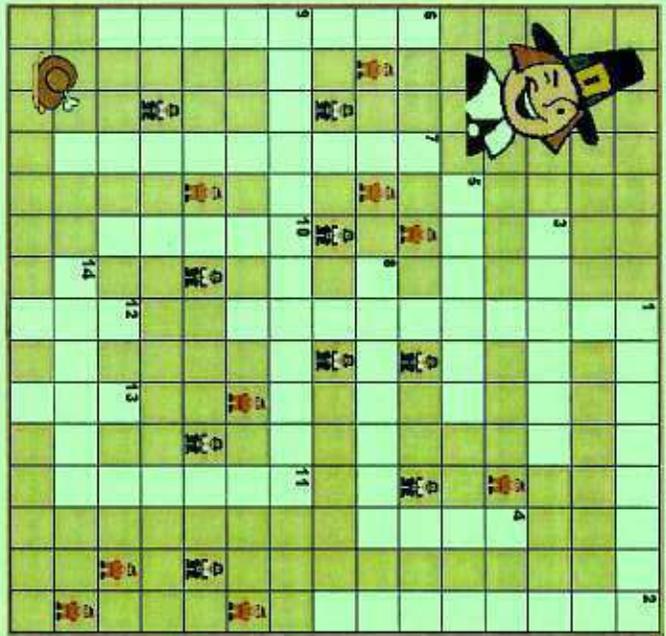

Mike Yassa, the Charles Commons faculty fellow and an assistant professor in the Department of Psychological and Brain Sciences, said that the idea was to have an open forum where people can share ideas and passions about anything and everything.

One faculty member will demonstrate his juggling and robot-building abilities, another will talk about the use of photography in studying political science. A student will discuss the present and future of video games, now a \$65 billion-a-year industry.

Hot chocolate and brownies will be served. Those planning to attend are asked to check in on the event's Facebook page, titled Ignite@JHU.

A spring Ignite@JHU will be held on March 1, 2012. Those interested in signing up can contact Joan Freedman at digitalmedia@jhu.edu.

**Mondays: Make Your Own Mondays**  
Mondays are typically associated with the end of the weekend and getting back to the daily grind of Hopkins' classes. With the "Make Your Own Mondays" series, our hope is to help ease this transition by bringing out your creative side early in the week! Show your football spirit by making buttons to kickoff the new season (Sept. 5), decorate your dorm room and make your own dry erase board (Sept. 19), or join the Career Center and learn how to make and revise your own resume (Sept. 26). These are just some of the events that we have planned for you.

**Mondays: Monday Night Football and Pub Night**  
Meet up with friends, cheer your favorite football team on the big screen, and grab a low-cost beer right on campus (21+ to drink; open to all ages). Other late night menu options typically include wings, nachos, soft pretzels, and much more! The first Monday Night Football event will be on Sept. 12, so mark your calendars!

**Tuesdays: Class Night!**  
Each class (freshman, sophomore, junior, senior) will have one Tuesday each month on a rotational basis to have an event and build class unity. Host a class movie night, bring a magician to campus, have a bout in the middle of the winter, host a burlesque competition...the options are endless!

**Wednesdays: Nolan's Live!**  
Clear on your classmates, friends, or even your favorite classmates or band as they take over the Nolan's stage as part of our "Nolan's Live" series! This semester at Nolan's Student Union, live entertainment will perform every Wednesday evening! A relaxing, laid-back atmosphere that is great for taking a study break and grabbing a late-night snack!

**Thursdays: Game Night**  
Bring your competitive side out to Nolan's every Thursday for Game Night! Compete with and against your fellow classmates in game shows, pool, board games, video games, and trivia contests. Prizes will be available for the winning students!

**Fridays and Saturdays: Nolan's at Nite**  
Every Friday and Saturday after 9 PM, food service ends early to allow Nolan's to become a reservable space for student group events. The Office of Student Life has programming grants available in denominations of up to \$200 to help support these events! Last year, Nolan's on 33rd was the site for many successful events and collaborations with student organizations, including Hopkins Hold 'Em poker tournament with RAB, Store of the Union (address with the College Democrats, and Greek Life's Karaoke Cup competition!
